Comments The proposal is to construct (1) commercial entrance and (2) 525ft road sections with cul-de-sacs off of Hoffman Hollow Road. The finished access should facilitate development of nearly 20 acres of industrial property that currently does not have improved access. Construction will include stormwater management and sanitary sewer installation, along with electric utility conduit installation. Frostburg potable water is available to the west of the property and future services should not impact the finished road.
