The above figures represent bid sheet figures as received and do not represent any county tabulation or verification of the amounts listed. Bids were opened by Carol Gaffney with the assistance of Adam Patterson, P.E., Project Engineer, Department of Public Works; various staff of Public Works Department attended. In the interest of time, various other required documents will be reviewed by the Department of Public Works following the bid opening. Various contractors and company representatives also attended. The bids were referred to the Public Works Department for review and recommendation back to the Commissioners.
