RESOLUTION

No. 14-17

Resolution approving the Fiscal Year 2014- 2019 Transportation Improvement Program:

WHEREAS, the Cumberland Area Metropolitan Planning Organization was established to manage and provide policy direction to the Unified Planning Program in accordance with Federal requirements, and the Allegany County Commissioners have been designated as the Metropolitan Planning Organization for this area as approved by the Maryland Governor Harry Hughes on May 17, 1982; and

WHEREAS, the staff of the Maryland Department of Transportation and the Allegany County Department of Community Services, have together prepared the Transportation Improvement Program for Fiscal Year 2014 – 2019 in compliance with applicable Federal programs and regulations.

WHEREAS, project 09- 02 is a study of US 220/McMullen Highway to study to upgrade or relocate US 220 from I-68 via MD 53 to the West Virginia State Line. Tier 2 study limits extend from I-68 to Cresaptown, MD along US 220 and MD 53. at a cost of \$5,254,000.00; and

WHEREAS, project 09- 03 is made up Environmental Projects providing aesthetic improvements along State highways at a cost of \$9,660,000.00; and

WHEREAS, project 09- 04 is to fund Safety and Spot Improvements providing localized improvements to address safety issues on State highways at a cost of \$28,800,000.00; and

WHEREAS, project 09- 05 is to fund Resurface and Rehabilitation providing specific upgrade of auxiliary features on State highways at a cost of \$90,480,000.00; and

WHEREAS, project 09- 06 is to fund Bridge Replacement and Rehabilitation providing major upgrade and maintenance of structures on State highways at a cost of \$29,028,000.00; and

WHEREAS, project 09- 07 is to fund Urban Street Reconstruction and Rehabilitation providing roadway and rehabilitation and streetscape improvements on State highways at a cost of \$5,760,000.00; and

WHEREAS, project 09- 08 is to fund Congestion Management for traffic control, monitoring and management of State facilities at a cost of \$11,520,000.00; and

WHEREAS, the Braddock Road Access and Intersection Improvements Project Phase III has a cost of \$7,000,000.00; and

WHEREAS, the MD-47 Bridge Replacement has a cost of \$313,000.00; and

WHEREAS, NEW project is to fund I-68 Bridges 01092 & 01096 for cleaning, painting and structural repairs at a cost of \$10,247,000.00; and

WHEREAS, NEW project is to fund I-68 Bridges 01102 and 01103 to Replace/rehabilitate bridge deck 0110200 over Kelly Boulevard and bridge deck 0110300 over Patterson Avenue at a cost of \$9,428,000.00; and

WHEREAS, the Bridge No. A-116 Orleans Road South project is to realign and replace Bridge No. A-116 of Orleans Road and Appel Road at a cost of \$2,900,000.00; and

WHEREAS, Baltimore Avenue Access Improvements for alignment and pavement improvements, in the vicinity of Goethe Street has a cost of \$934,000.00; and

WHEREAS, the Baltimore Street Bridge rehabilitation of bridge A-C-06 over Wills Creek has a cost of \$3,900,000.00; and

WHEREAS, the Small Urban Transit System Operating Assistance for transit services provided by Allegany County has a cost of \$4,254,816.00; and

WHEREAS, the Small Urban Transit System Capital Assistance for transit services provided by Allegany County has a cost of \$1,253,924.00; and

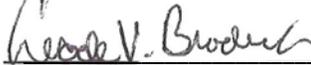

NOW, THEREFORE, BE IT RESOLVED that the Allegany County Commissioners acting as the Cumberland Area Metropolitan Planning Organization approves the Fiscal Year 2014 – 2019 Transportation Improvement Program, and will keep the record open for thirty day to allow for any additional public comments.

ADOPTED THIS 24th day of July, 2014.

County Commissioners of Allegany County, Maryland

Michael W. McKay, President

Creade V. Brodie, Jr., Commissioner

William R. Valentine, Commissioner

ATTEST:

David A. Eberly County Administrator

**CUMBERLAND URBANIZED AREA METROPOLITAN
PLANNING ORGANIZATION
TRANSPORTATION IMPROVEMENT PROGRAM
FY 2014-2019**

BACKGROUND AND INTRODUCTION

Status of the Urbanized Area

The Cumberland Urbanized Area as defined by the U.S. Census includes portions of Allegany County Maryland and Mineral County West Virginia. The Maryland portion includes Cumberland and Frostburg and the surrounding areas. The requirement for classification as an urbanized area is a population of at least 50,000. The population of the urbanized area in 1980 was approximately 59,000, and in 1990 it declined to approximately 55,000. In 2000 the population remained fairly constant and is now at about the same level as in 1990.

FHWA/FTA Regulations for Urban Transportation Planning

Since the 1960's, the federal government has established urban transportation planning requirements in all metropolitan areas, as a prerequisite to the approval of federal funding (23 CFR Part 450 and 49 CFR Part 613). The regulations require a continuing, comprehensive and cooperative (3-C) planning process in all urbanized areas of more than 50,000.

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) of the U.S. Department of Transportation issued amendments effective June 30, 1983 to their existing regulations governing urban transportation planning under FHWA and FTA grant programs. These amendments were partially intended to simplify administration of the planning process for urbanized areas with a population under 200,000 such as the Cumberland area.

In 1991 the Intermodal Surface Transportation Efficiency Act (ISTEA) was passed. This act revised some of the established regulations and procedures and placed a new emphasis on Metropolitan Planning Organizations. As part of this Act the MPO planning process has been more specifically defined and new planning requirements have been prescribed.

In 1998 the Transportation Equity Act for the 21st Century (TEA-21) was passed continuing the initiatives of the 1991 Act, and adding several new provisions and programs.

In 2005 the Safe Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) was passed. This Act which provides for the Country's largest surface transportation investment ever retained most of the planning provisions of the previous legislation and added several new metropolitan transportation planning requirements.

Steps Taken to Comply with FHWA/FTA Regulations

The Allegany County Commissioners, acting in their role as the Metropolitan Planning Organization (MPO), annually approve and amend as appropriate the Transportation Improvement Program as required by U.S. DOT, to be eligible to receive funding for the region's transportation projects.

**CUMBERLAND URBANIZED AREA
METROPOLITAN
PLANNING ORGANIZATION**

PUBLIC PARTICIPATION PROCESS

The Board of County Commissioners of Allegany County serves as the Metropolitan Planning Organization (MPO) policy body for the urbanized area. Most MPO business including the Unified Planning Work Program (UPWP) and the Transportation Improvement Program (TIP) approvals and amendments are considered and acted on during the Commissioners' regularly scheduled weekly meeting. These meetings are open to the public and public comment and discussion on all agenda items is encouraged. The meeting agendas are published in advance in the local newspapers and on the County website. When an MPO matter is placed on the agenda, a planner from the Allegany County Department of Community Services who serves as the MPO staff attends the meetings to present information and respond to questions and inquiries.

In compliance with SAFETEA-LU and as part of the FY 2008 UPWP, a Public Participation Plan has been developed and was adopted June 5, 2008. The Public Participation formalizes the public process, which will be conducted for all MPO activities including the development, review and approval of the TIP. The TIP also considers effects upon low-income and minority residents.

The Moving Ahead for Progress in the 21st Century Act (MAP-21) was signed into law in July 2012 and builds on and refines the metropolitan transportation planning regulations and programs established by ISTEA and subsequent federal laws. The MPO will comply with all applicable revisions to the metropolitan transportation planning regulations as the federal guidance is developed.

The public participation process for the TIP will also meet the FTA public participation requirements for the MTA's program of projects

RESOLUTION

No. 14-21

Resolution approving the Fiscal Year 2014- 2019 Transportation Improvement Program:

WHEREAS, the Cumberland Area Metropolitan Planning Organization was established to manage and provide policy direction to the Unified Planning Program in accordance with Federal requirements, and the Allegany County Commissioners have been designated as the Metropolitan Planning Organization for this area as approved by the Maryland Governor Harry Hughes on May 17, 1982; and

WHEREAS, the staff of the Maryland Department of Transportation and the Allegany County Department of Community Services, have together prepared the Transportation Improvement Program for Fiscal Year 2014 – 2019 in compliance with applicable Federal programs and regulations.

WHEREAS, project 09- 06 is amended to fund Bridge Replacement and Rehabilitation providing major upgrade and maintenance of structures on State highways at a cost of \$29,928,000.00; and

WHEREAS, the MD-47 Bridge Replacement is amended to have a cost of \$1,628,000.00; and

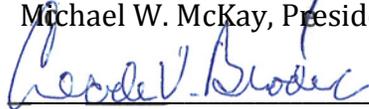

NOW, THEREFORE, BE IT RESOLVED that the Allegany County Commissioners acting as the Cumberland Area Metropolitan Planning Organization approves the Revised Fiscal Year 2014 – 2019 Transportation Improvement Program, and will keep the record open for thirty day to allow for any additional public comments.

ADOPTED THIS 11th day of September , 2014.

Project Code _____ *STIP#* AL201502

Project Name Frostburg Business Park Access Project *Limits* Hoffman Hollow Road in the Frostburg Business Park

Improvement Description Proposal is to provide improved access to the Frostburg Business Park off of Hoffman Hollow Road. SHA spec: (2) paved 15ft lanes with 6ft shoulders.

Responsible Agency SHA/MDOT

Current Lanes NA *Current Road Type* 60ft ROW unimproved *Proposed Lanes* (2) 15ft lanes w/shoulders

Miles 0.200 *Highway System* Frostburg *Funding* ARC Funding *Ratio* 100%

Related Projects NA

Comments The proposal is to construct (1) commercial entrance and (2) 525ft road sections with cul-de-sacs off of Hoffman Hollow Road. The finished access should facilitate development of nearly 20 acres of industrial property that currently does not have improved access. Construction will include stormwater management and sanitary sewer installation, along with electric utility conduit installation. Frostburg potable water is available to the west of the property and future services should not impact the finished road.
